Highlighted Sound: Vowel Digraph Letter combination: 'oo' as in 'food'

A **Vowel Digraph** consists of two consecutive letters (one or both letters are vowels) together they produce one sound.

Explain how 'your' share a common sound of: '...aw' in 'paw'.

Explain how 'one', makes a sound like the word 'won'.

Explain how 'roo is the abbreviation of kangaroo, this is indicated by the apostrophe.

Double Syllable word: 'looking'

- Teacher leads student in oral practice with this **syllable word** pattern, by covering the last part of the word (looking) for example the '**look**'.
- Teacher leads student in oral practice decoding word into the **onset** phonic component '**l**' followed by the '**ook**'. For example: **l-ook**.
- Teacher leads student in oral practice by revealing the last syllable, to combine the first and last syllable for example: '**look-ing**', '**looking**'.

Optional Exercise: Repeat this exercise and include one clap with each syllable as the word is repeated. For example: look-(one clap) -ing (one clap). Then together. This exercise emphasizes the syllables in words.

Sight Words: a, one, was.

Punctuation: Explain a 'comma'. Pause, take a breath, and continue reading.

- Explain a "full stop". Stop, take a breath, then start the next sentence.
- Introduce 'speech marks'. Explain speech marks show a person is speaking. The reader can change speech tone to suit the character in the story when they see the 'speech marks'. This adds interest to the story.

Introduce a Contraction: Two words united to make a shortened word.

An apostrophe replaces the missing letters - for example, 'kangaroo' is abbreviated to 'roo'.

Capital Letters: Explain that a capital letter is found at the beginning of the word in a new sentence.

STEP 1:

Teacher leads student in oral practice with these consonant sounds:

m, r, t, f, c, s, b, l,

h, w, g, z, st

STEP 2:

Teacher leads student in oral practice with this vowel pattern, or rime:

o-o, o-o -o-o

STEP 3:

Teacher leads student in oral practice, with blending these sounds:
Pronounce each letter separately; blend the separate sounds into a continuous word.

(o--o, o-o, o-o-o-o, oo)

- Practice blending the onset (consonants) and the rime (f-ood) with the 'letter combination' 'oo' sounding Words' for Book 26.

f-ood, stood, r-oof, hoof, m-oo, r-oo, t-oo, z-oo

STEP 4: 'Sight' Words:

Explain that these must be memorized/recognized as a whole; they are not broken down into sounds.

Sight words: one, was

- Practice the word: 'the' and 'The' with a capital letter.
- Practice the word: 'a' and 'A' with a capital letter.

STEP 5:

Practice blending the Sight Words with the 'long vowel 'a' sounding words.

A roof the roof

A zoo the zoo

STEP 6:

Now you are ready to start reading **Fantastic Phonics Story 26 – 'On my Roof'**. Explain the highlighted sound in this book is the 'Vowel Digraph letter combination 'oo' sound.

The **letter combination 'oo' sound** is reinforced in the words in Story 26. **Double syllable word:** – 'look-ing'.

- If you have a large screen with the images projected onto it, scroll slowly through each page 'reading out loud' the text as described in Step 2.
- The student will read the text as the teacher points to each word.

- If the student has difficulty with a word – keep pointing to the word. This gives the student time to self-correct or try again. If the student is still having difficulty encourage the student to sound out the individual phonemes/sounds, blend the sounds, then read the word again.
- **If each student has a printed book then slowly progress through the pages ‘reading out loud’ as described in Step 2.** The student will read the text as the teacher points to each word. If the student has difficulty with a word – keep pointing to the word. This gives the student time to self-correct or try again. If the student is still having difficulty encourage the student to sound out the individual phonemes/sounds, blend the sounds, then read the word again.
- If the word is a ‘Sight Word’ reinforce the word is to be recognized as a ‘whole’.

STEP 7:

Ask the student how many capital ‘T’ were in the story and where is the capital ‘T’ found in the story.

Capital Letters: Emphasize that a capital letter is found at the beginning of the word in a new sentence.

Punctuation: Explain a “full stop”. Stop, take a breath, then start the next sentence. Ask the student how many “full stops” were in the story and where are they found.

- Explain a ‘comma’. Pause, take a breath, and continue reading.
- Explain ‘speech marks’. Speech marks show a person is speaking, so the reader can change speech tone to suit the character in the story.

Introduce a Contraction: Two words united to make a shortened word.

- An apostrophe replaces the missing letters.
- For example: ‘kangaroo’ is abbreviated to ‘roo.’

STEP 8:

At the end of the story read the ‘extra words’. These words reinforce the **Vowel Digraph** letter combination sound ‘oo’ and look at the different CVVC (consonant, vowel, vowel, consonant) blends for example: good, wood, hood, stood, hoof, hoot, boot.

Rhyming

The rhyming further supports the sounds, by showing the auditory and visual similarities and also discriminating between the different sounds.

- Ask the student if they can pick out the rhyming words in the text.
- Ask the student to identify the highlighted sound in the text (**Vowel Digraph letter combination ‘oo’ sound**)
- See if the student if they can point out one word that has the same three letters in a different combination for example: **was, saw**. Can they read these words?

STEP 9:

Now start the Comprehension Questions, slowly reading each one, then give the student time to answer verbally or in a written form.

- If you have a large screen with the images projected onto it, scroll slowly to each question.
- If each child has a printed book then slowly progress through the questions.

Comprehension Questions

The comprehension component for each story tests the student’s critical reading skills. If the student does not remember the answers, they are encouraged to re-read the story and then continue the comprehension questions.

STEP 10:

Complete the sentences with these words. This exercise strengthens the student’s critical reading skills. The sounds and blends found in this story are also practiced in this exercise.

STEP 11:

Say, Cover, Spell, Write and Check. This exercise asks the student to say the word (identifying word sounds), then cover the word (to commit word to memory by visualization), spell it out loud (to highlight sounds and blends of letter combinations), then write it (to practice spelling).

too _____ food _____ roof _____ moo _____ ‘roo _____
 saw _____ cow _____ bear _____ looking _____ her _____

STEP 12:

Add ‘vv’ (vowel, vowel) ‘oo’ to make words:

This highlights the **letter combination ‘oo’** .

r _____ f, t _____, f _____ d, m _____, l _____ k

- Teachers can print this story for the student to use for independent oral reading practice.
- The student may also enjoy adding their own colors to the book by coloring in the pictures.
